סקר דרישות לקוח – SRS

Client Representatives: Yogev Cohen, Itay Ezra

Time and Place: JCE 02/01/2013

Overall Summery

- Clients are OK with late review of the SRS

Issues brought up by the Clients

- Clients read the SRS and these are their remarks:
 - Clients are pleased to see the way the project turned out according to the SRS!
 - Clients dislike the fact that the dedicated server is hosted locally and not on a server farm/dedicated environment.
 - Missing user cases:
 - Commenting/Rating a Cocktail
 - Adding a Cocktail (Admin UI)

(all the above UC were documented and filled in MS0,MS1,MS3)
